

2014 International Symposium on Frontiers of Technology for Future : Energy and Life

National Tsing Hua University, Hsinchu, Taiwan | June 24 - 27, 2014

We are pleased to announce that The 2014 International Symposium on Frontiers of Technology for Future: Energy and Life (FoTEL 2014) will be held on June 24-27, 2014 at National Tsing Hua University, Hsinchu, Taiwan. The aim of this symposium is to explore the current and near future cutting-edge technology in biomedical and energy application, especially the interaction of beam with materials, atoms and biology. We hope this symposium can provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their recent results and development activities in the fields of low carbon energy, biomedical engineering, and nuclear medicine.

Scope of Conference :

Theme 1 <i>Low carbon energy</i>	Theme 2 <i>Medical Application of Radiation</i>	Theme 3 <i>Beam Technology</i>
<ul style="list-style-type: none">- Nuclear Energy- Solar Energy- Hydrogen Energy- Energy Storage and Conversion- Novel Materials and Devices for Low Energy Applications	<ul style="list-style-type: none">- Cancer Therapy: Boron Neutron Capture Therapy (BNCT)- Advances in Medical Physics- Imaging- Drug Delivery- Treatment Planning- Internal Dosimetry- Medical Treatment Facility Shielding	<ul style="list-style-type: none">- Synchrotron Radiation- Neutron Scattering- Free Electron Laser- High-Resolution Electron and Ion Beams

First Call For Abstracts :

Please submit your abstract via the conference website (<http://nucl-fotel.vm.nthu.edu.tw/>) by April 30, 2014. The abstract should be written in English on the template (available on the website).

Best Student Paper Award:

The student paper award selection will be based on the quality of the paper and the presentation. The recipient will be presented a financial prize and a certificate at the closing ceremony of the Symposium

Important Dates :

One-Page Abstract Submission Deadline: **April 30, 2014**

Online Registration Start: **May 1, 2014**

Notification of Abstract Acceptance: **May 12, 2014**

Early Bird Registration Deadline: **May 31, 2014**

Online Registration Deadline: **June 15, 2014**
